**DISPOSABLE CHILDREN:** "The so-called right to abortion" has pitted mothers against their children and women against men. It has sown violence and discord at the heart of the most intimate human relationships...It has portrayed the greatest of gifts—a child—as a competitor, an intrusion, and an inconvenience. It has nominally accorded mothers unfettered dominion over the independent sons and daughters....The right to life does not depend, and must not be declared to be contingent on the pleasure of anyone else, not even a parent or a sovereign."  
Mother Teresa 1994.
